Launch of New Pachislot Machine “EVANGELION—Spear of Hope”

Unauthorized reproduction or usage is strictly prohibited.

Fields Corporation (Head office: Shibuya-ku, Tokyo; President & COO: Takashi Oya) announces the nationwide release of the new pachislot machine from Bisty Co., Ltd., “EVANGELION—Spear of Hope.”

■ EVANGELION

“EVANGELION” is an immensely popular story which emerged as an animated TV series in 1995, and has spawned films and a host of other media. In 2007, the first in the new “Rebuild of Evangelion” series of four films was released which, along with collaborations with the content in many other types of media, continues to attract new fans.

■ The Latest EVA Series Pachislot

Since the first EVANGELION series pachislot machine was released in 2005, each new machine has brought a new level of excitement for fans.

This 9th machine celebrates the 10th anniversary of the series. In addition to its simple and clear game function, it features a number of unpredictable emergency events and other effects. In addition, a special chassis has been used which focuses on design and function in order to more authentically portray the world of the original animation. As a result, fans will experience a new impact.

This machine is not only for pachislot enthusiasts, but also a wide range of anime fans.

The “EVANGELION—Spear of Hope” pachislot machine is scheduled for delivery in June 2015 to pachinko halls throughout Japan.
