FIELD CORPORATION (Head office: Shibuya-ku, Tokyo; President & COO: Takashi Oya) announces the nationwide release of the new pachinko machine, “CR EVANGELION X.”

■ EVANGELION

“EVANGELION” is an immensely popular story which emerged as an animated TV series in 1995, and has spawned films and a host of other media. In 2007, the *Rebuild of Evangelion* series (four movies) began its theatrical release. In addition, collaborations with a wide variety of media have meant that even 20 years since its inception, the franchise continues to win over new fans.

■ The Latest EVANGELION Series Pachinko

Since the first EVANGELION series pachinko machine was released in 2004, each new machine has brought a new level of excitement for fans.

As the landmark 10th in the series, this pachinko machine features five battle modes and allows the player to enjoy whichever battle they choose. Furthermore, the 19-inch LCD screen, boasting the greatest impact in the entire series, and the large “Regulation 1 Machine Impact Face” gimmick bring fans a level of overwhelming immersion that is only possible with large displays.

This machine is not only for pachinko enthusiasts, but also a wide range of anime fans.

The “CR EVANGELION X” machine is scheduled for delivery in September 2015 to pachinko halls throughout Japan.
