**■ New Pachinko Machine “CR Tekken 2 Toushin ver.”**

“TEKKEN 2 Toushin ver.” provides players with a sense of being right there and experiencing the joy of victor in the powerful battles of the original as it was developed with full cooperation from BANDAI NAMCO Entertainment Inc. to recreate images on a large screen LCD together with gimmicks such as the “Giga Tekken Gimmick,” the “Tsuigeki Spiral” and the “Tekken Flash.” For “TAG BATTLERUSH” in particular, into which the player enters after a big win, the attraction of the highly-individual characters is utilized so that players can enjoy battles of various different patterns depending on the selected partner character and opponent.
