■ **New Machine “Pachislot LORD of VERMILION”**

Pachislot LORD OF VERMILION includes Middle Spec functions equipped with “High Base & Long ART”, “Five Additional Specialized Zones” and a “Trans System.” Moreover, the LCD display for mustering up game, BGM, and amazing cast of voice actors combine to create a pachislot machine that truly responds to the needs of fans.

The overwhelming world setting of LORD OF VERMILION, which has moved and excited many people, brings new values to pachislot machines.

This machine is not only for pachinko and pachislot enthusiasts but a wide range of people, including video game fans. The machine is scheduled for delivery in October 2016 to pachinko halls throughout Japan.
