■ **New pachislot machine “THE AMAZING SPIDER-MAN”**

The Amazing Spider-Man has now launched as a new pachislot machine. The machine recreates the Spider-Man worldview and fuses it together with pachislot game functions. Spider-Man’s battle against Lizard is the key to understanding how the game will develop; in the same way as the comics and films, players entrust their hopes and expectations to Spider-Man as they enjoy the pachislot gaming experience.

The pachislot machine “THE AMAZING SPIDER-MAN” is not only for pachinko and pachislot enthusiasts but a wide range of people, including fans of the Marvel characters and films. The machine is scheduled for delivery in September 2017 to pachinko halls throughout Japan.
