Fields Corporation (Head office: Shibuya-ku, Tokyo; President and CEO: Hidetoshi Yamamoto) announces the nationwide release of Sammy Corporation's pachinko machine "CR K-1 PREMIUM Dynamite!!" Details of this release are given below.

An exciting collaboration with K-1 has brought to the world the new pachinko machine "CR K-1 PREMIUM Dynamite!!" Last New Years Eve's big event Fields K-1 PREMIUM 2004 Dynamite!! is surely still fresh in everyone's minds. This pachinko machine lets fans relive each thrilling moment.

This pachinko machine not only recreates the excitement and power of K-1, but also lets players watch extreme battles that are impossible to see anywhere else. "CR K-1 PREMIUM Dynamite!!" provides players with unprecedented realism on its large-scale screen. In this highly-entertaining player participation-style game, players select fighters and train them to be stronger, and then have them engage in battles. Players even have a chance to set up dream matches that would be impossible in real life. Imagine a match-up with Mike Tyson, who has been called "the world's most powerful fighter." The suspense, thrill, and excitement generated by the drama and passion that unfolds in this new pachinko machine will keep players on the edge of their seats.

Plans call for "CR K-1 PREMIUM Dynamite!!"—the greatest fighting machine ever—to be available in pachinko halls throughout Japan from early July.
