Fields Corporation (Head office: Shibuya-ku, Tokyo; President and CEO: Hidetoshi Yamamoto) announces the nationwide release of Bisty Co., Ltd.'s pachinko machine “CR Ashita ga arusa Yoshimoto World.” Details of this release are given below.

The new pachinko machine “CR Ashita ga arusa Yoshimoto World” (There’s Always Tomorrow – Yoshimoto World) has been created with the full and complete support of Yoshimoto Kogyo Co., Ltd. Headlining the ten well-known entertainers appearing in this new machine is the hugely popular comedy duo Downtown.

All of the characters appearing in “CR Ashita ga arusa Yoshimoto World” are major stars in their own right. And each character puts on a unique and entertaining routine to signal when the player is one step away from a jackpot, creating a truly rich variety of performances. This new machine offers various modes and pre-jackpot performances one after another for the enjoyment of the player, including a bonus indicator that is depicted by that indispensable tool of the modern businessperson, the mobile phone, and a wide range of entertaining scenes on the LCD screen in anticipation of a jackpot. The popular song “Ashita ga arusa” (There’s Always Tomorrow) adds an extra element of excitement and enjoyment for all players, giving a lift to their spirits.

As a machine that cheers on the average businessperson, “CR Ashita ga arusa Yoshimoto World” will provide great enjoyment for not only regular enthusiasts of pachinko, but also for a very wide range of players, including fans of the Yoshimoto brand of entertainment.
