Fields Corporation (Head office: Shibuya-ku, Tokyo; President and CEO: Hidetoshi Yamamoto) announces the nationwide release of the new Bisty Co., Ltd. pachinko machine "CR WINK."

The new pachinko machine features the members of WINK, a duo of Japanese pop idols that topped the charts in the 1980s and 1990s. Right from their debut WINK members Shoko Aida and Sachiko Suzuki charmed fans with their cute look and singing style, producing a long list of hits.

"CR WINK" makes full use of the duo's hit songs such as the award-winning "Sabishii Nettaigyo (Lonely Tropical Fish)" and "Ai ga Tomaranai (Turn It into Love)" as well as real concert footage, recreating WINK's doll-like stage persona just as it was in their heyday. A colorful array of pre-jackpot performances featuring hit songs, the "Encore Chance" mode in which continuous concert footage heightens players' expectations, and WINK-themed on-screen features linked to song lyrics enable players to experience all the excitement of a live concert while savoring a growing sense of anticipation.

Packed with WINK's special brand of charm, the new machine is scheduled to be available for enjoyment at pachinko halls throughout Japan in late September.

Sales of this machine have been incorporated into the Fields Corporation business plan for the fiscal year ending March 2007.
