Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) would like to announce the nationwide release of the new pachislot machine from Rodeo Co., Ltd., "**Kaiji Act 2.**"

This machine's contents incorporate elements from comic book writer Nobuyuki Fukumoto's highly popular series "*Kaiji*". Published in "*Weekly Young Magazine*" from 1996, *Kaiji*'s profound and complex level of entertainment has made the comic series popular not only in print but also in TV animations.

This machine uses an impressive 17-inch LCD display to dynamically recreate the ingenious psychological descriptions of the *Kaiji* stories. Equipped with the LCD Reel to recreate incredibly real action, and coupled with *Kaiji*'s continuous action footage, players are able to enjoy the thrilling and exciting world of the original.

The *Kaiji Act 2* pachislot machine is sure to be enjoyed not only by pachislot enthusiasts, but also by many others, not least of all comic fans.

The *Kaiji Act 2* pachislot machine is scheduled for delivery in December 2008 to pachinko halls throughout Japan.
