Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) would like to announce the nationwide release of the new pachislot machine from Bisty Co., Ltd., "Saturday Night Fever."

This machine incorporates contents from the 1977 released film "Saturday Night Fever." The coming of age movie used in the contents for this machine has been made popular all over the world, and this machine recreates the story of a group of teenagers who give their all to disco-dancing, as their experiences of love and friendship take them in to adulthood.

Players can fully enjoy the same Saturday Night Fever both powerful dance battle action and 1970's flavoured musical soundtrack.

This machine is sure to be enjoyed not only by Pachislot enthusiasts, but also by many others, not least of all movie fans.
