Launch of Rodeo's New Pachislot Machine "Hono-no Nekketsu Kyoshi"

Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of a new pachislot machine from Rodeo Co., Ltd., "**Hono-no Nekketsu Kyoshi.**" (Hot-Blooded Teachers)

The new machine features three "hot-blooded teachers"—former professional baseball player Kazuhiro Kiyohara, professional wrestler Kensuke Sasaki, and the former female professional wrestler Akira Hokuto—in a story where they battle it out on a school campus.

Each of the hot-blooded teachers uses his or her individual skills as an athlete in the on-going story that intersperses the pachislot action, conveying to students how wonderful it is to have a dream and some hope to believe in. The machine offers players plenty of entertainment based on the new idea of grouping together top-level athletes in a competition that takes them beyond their own fields of expertise.

The passionate action of the hot-blooded teachers can be enjoyed not only by pachislot fans, but by a wide range of people.

"Hono-no Nekketsu Kyoshi" pachislot machine is scheduled for delivery in December 2009 to pachinko halls throughout Japan.
