Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of a new pachinko machine from Bisty Co., Ltd., "CR GTO."

The machine draws on content from the hit comic-book series GTO, which was created by Toru Fujisawa and appeared in the *Weekly Shonen Magazine*. GTO has been so popular that it has been adapted for an animation, TV drama, and a movie; and a new magazine series has been appearing in 2009.

This machine sticks closely to the comic-book storyline, blending pachinko game functions with the love, laughter and emotion of the content. Plenty of famous scenes featuring Eikichi Onizuka—known as Great Teacher Onizuka (GTO)—and his students also appear in the pachinko game, allowing players to fully enjoy the unique world of the original comic book.

Showcasing the passion of the hero Eikichi Onizuka, the machine is not only for pachinko enthusiasts, but a wide range of people, including comic book fans.

"CR GTO" pachinko machine is scheduled for delivery in January 2010 to pachinko halls throughout Japan.
