Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of the new pachinko machine from Bisty Co., Ltd., "EVA Light III."

The "CR Evangelion 7" released in January 2012 delivers impressive game function with high quality video and a sophisticated appearance, and has been installed in pachinko halls all over the country.

EVA Light III is a "Light version" of the "CR Evangelion 7" with an approximately 1 in 99.9 chance of hitting the jackpot, making it even easier to play. The machine includes a "Special Mode" that increases the frequency of appearance of fixed story lines and story lines exclusive to this machine, so the player can fully enjoy the machine's unique appeal.

Retaining the sense of excitement and anticipation of a middle-spec machine while adding ease of play, this machine will appeal not only to pachinko enthusiasts but also to a wide range of people including animation fans and Evangelion fans.

The "EVA Light III" pachinko machine is scheduled for delivery in May 2012 to pachinko halls throughout Japan.
