Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of the new pachislot machine from Rodeo Co., Ltd., “SAKIGAKE OTOKOJUKU—TENCHO-GORIN THE FINAL.”

SAKIGAKE OTOKOJUKU is a popular comic series that was published in *Weekly Shonen Jump* magazine (Shueisha) from 1985 to 1991. The series has also been adapted to a wide range of other media, including television animation, movies, and pachinko/pachislot machines.

This pachislot machine uses an exclusive machine body equipped with visual and audio effects and entirely brand-new videos to depict the climactic story of the original series. During game play, the latest AT system is used to arouse player's curiosity and heighten their sense of expectation.

This machine—which challenges users to take part in the endless battles of a unique cast of men—is not only for pachislot enthusiasts, but a wide range of people including comic book and anime fans.

The “SAKIGAKE OTOKOJUKU—TENCHO-GORIN THE FINAL” pachislot machine is scheduled for delivery in February 2013 to pachinko halls throughout Japan.
