Fields Corporation (Head Office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of the new pachislot machine from Enterrise Co., Ltd., “Devil May Cry 4.”

Capcom’s *Devil May Cry* series of video games are stylish action games offering unique characters and exhilarating handling. Since the first game was launched in 2001, over 12 million copies have been sold as of March 31, 2013, with and the popular content has been expanded to many genres other including comic book and animation leveraging the strong brand power.

The “Devil May Cry 4” pachislot machine reproduces the atmosphere of the original video games through an exclusive machine body equipped with lively drum action and gimmicks that bring excitement to game play through a wide range of phases. Merging a variety of game play with the traditional Enterrise game system, this machine brings a sense of anticipation and satisfaction to players.

This machine is not only for pachislot enthusiasts but a wide range of video game fans.

The “Devil May Cry 4” machine is scheduled for delivery in September 2013 to pachinko halls throughout Japan.
