Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of the new pachinko machine from OK Co., Ltd., “**Pachinko Onimusha: Dawn of Dreams.**”

Ever since CAPCOM Co., Ltd. released the first of the Onimusha survival action video games, set during Japan’s Warring States period, in 2001, the “hack-and-slash action” and the moving yet thrilling scenarios that run throughout the entire series have enjoyed huge popularity, earning the games high praise among many video game fans.

“Pachinko Onimusha: Dawn of Dreams” utilizes gimmicks and LCD displays to recreate the “hack-and-slash action” that is a prominent feature of the original games to achieve a truly exhilarating experience for the player.

This machine is not only for pachinko enthusiasts but a wide range of video game fans.
