Launch of New Pachinko Machine “CR Martian Successor NADESICO”

FIELDS CORPORATION (Head office: Shibuya-ku, Tokyo; President & COO: Takashi Oya) announces the nationwide release of the new pachinko machine from Bisty Co., Ltd., “CR Martian Successor NADESICO.”

■ Martian Successor NADESICO

"Martian Successor NADESICO" is a robot animation series broadcast on TV from 1996 to 1997, and is typical of the genre in the 1990s. Incorporating elements of romantic comedy into a science fiction animation that employs space battleships and real robots against the backdrop of space, it was popular for its finely detailed worldview. It was later turned into various media, including movies, novels, comic books and video games, and continues to gain many new fans.

■ The Latest Pachinko Machine “CR Martian Successor NADESICO”

This machine features events and game function created on the 3S concept of SIMPLE, SPEED and SURPRISE. Available in both the MAX (high spec) and middle high types popular in the market, it allows a wide range of animation fans and other players, in addition to the usual pachinko fans, to fully experience the depth of the original work and its finely detailed worldview.

The “CR Martian Successor NADESICO” machine is scheduled for delivery in August 2015 to pachinko halls throughout Japan.
