Launch of New Pachislot Machine "ASURA'S WRATH"

FIELDS CORPORATION (Head office: Shibuya-ku, Tokyo; President & COO: Takashi Oya) announces the nationwide release of the new pachislot machine from Enterrise Co., Ltd., "ASURA'S WRATH."

■ "ASURA'S WRATH"

"ASURA'S WRATH" was first released by CAPCOM CO., LTD. in 2012 as a new sensation action game in which gods engage in grand battles. Giving players the sense that they were controlling a TV show or movie, it realized a kind of entertainment that had not been seen in an action game up until then, and won in the "Future Division" at the Japan Game Awards 2011.

■ New pachislot machine "ASURA'S WRATH"

This machine links the "wrath" of the hero Asura to the world of pachislot games, reproducing the original game and its theme of "anger" in a new form. Its special "Kongo" (indestructible) chassis, designed with a god's aura motif, is equipped with visuals, sound, lighting and gimmick that emulate the original game's style, allowing players to enjoy awesome "god vs god" battles to the full.

This machine is not only for pachislot enthusiasts but a wide range of video game fans. The "ASURA'S WRATH" machine is scheduled for delivery September 2015 to pachinko halls throughout Japan.
