Launch of New Pachislot Machine
“MOBILE SUIT GUNDAM Awakening – Chained battle –”

FIELD S CORPORATION (Head office: Shibuya-ku, Tokyo; President & COO: Takashi Oya) announces the nationwide release of the new pachislot machine from Bisty Co., Ltd., “MOBILE SUIT GUNDAM Awakening – Chained battle –.”

■MOBILE SUIT GUNDAM

MOBILE SUIT GUNDAM is a TV anime that was first broadcast from 1979 to 1980, about battling robots called Mobile Suits and the realistic human drama surrounding the pilots who operate them. The series gave rise to many famous scenes and quotable dialogue, and over the next 35 years it has continued to enjoy popularity in a wide range of media, with new series also being broadcast.

■New Pachislot Machine “MOBILE SUIT GUNDAM Awakening – Chained battle”

The “MOBILE SUIT GUNDAM Awakening – Chained battle” pachislot machine is installed with “BOOST ART,” a game system for the new generation of pachislot that incorporates ART-type machine merits, delivering a new level of enjoyment to the player. What’s more, the specialized “G-Patrising” chassis boasts a host of features such as large LCD screens and “Newtype Flash” gimmick to further enhance the gameplay excitement.

This machine is not only for pachislot enthusiasts but a wide range of “GUNDAM” fans. The “MOBILE SUIT GUNDAM Awakening – Chained battle –” machine is scheduled for delivery in January 2016 to pachinko halls throughout Japan.
