Launch of New Machine “Pachislot Ultraman”

FIELD

FIELD CORPORATION (Head office: Shibuya-ku, Tokyo; President & COO: Takashi Oya) announces the nationwide release of the new pachislot machine from NANASHOW Corporation, “Pachislot Ultraman.”

■ Ultraman

Ultraman is a special effects TV show created by Tsuburaya Productions Co. Ltd. that first aired in 1966. It grew into an iconic hero character representing Japan, and has been loved by three generations of fans. It has been featured in a wide range of media including films, live hero shows, toys, video games, and pachinko/pachislot machines.

Half a century after its first broadcast, Ultraman continues to be popular among many fans even today.

■ New Machine “Pachislot Ultraman”

The new machine “Pachislot Ultraman” provides a new type of complete notification function developed with the idea of “creating a new hero in the pachislot world!” It has been loaded with elements to authentically portray the world of Ultraman, such as a color timer and many other advance notice patterns, slideshot features to deliver a pleasant gaming experience, and several classic melodies. This new machine offers an entertainment experience that is a step above the rest.

This machine is not only for pachislot enthusiasts but a wide range of Ultraman fans. The machine is scheduled for delivery March 2016 to pachinko halls throughout Japan.
