■ New Title “Pachinko Marvel’s Avengers”

“Pachinko Marvel’s Avengers” delivers a thrilling gaming experience inspired by the hit-film Marvel’s *The Avengers* with a movie-like vibe using gimmicks such as “DANGER gimmick,” “Air-Vib,” and “Surprise Button,” as well as displaying film clips on the LCD screen. During “AVENGERS RUSH in JAPAN,” which rushes in after a big win, the heroes fight to protect the peace in five major cities in Japan, and the player can enjoy the fierce battle combined with the game features of the pachinko machine.

This machine is not only for pachinko enthusiasts but a wide range of people, including movie fans. The machine is scheduled for delivery in April 2016 to pachinko halls throughout Japan.
