## Launch of New Pachislot Machine “DEVIL MAY CRY X”

FIELDS CORPORATION (Head office: Shibuya-ku, Tokyo; President & COO: Tetsuya Shigematsu) announces the nationwide release of a new pachislot machine from Enterrise Co., Ltd., “DEVIL MAY CRY X.”

### ■ About DEVIL MAY CRY

DEVIL MAY CRY is a popular series by CAPCOM, which is constantly working to create original games as a leader in action & fighting games.

The series has sold a cumulative total of 15 million units, and has continued to exert great influence on many action games with its beautiful graphics that exceed the normal boundaries of video games, and “stylish action” in which both swords and guns are skillfully used.

### ■ New Pachislot Machine “DEVIL MAY CRY X”

The new pachislot machine “DEVIL MAY CRY X” provides an episode-progress Assist Replay Time function that completely covers the story in which the destinies of the two lead characters cross over. Together with the beautiful graphics of the original, the game has been designed with specs that allow players to truly enjoy the world created inside of the game. In addition, performance of the new “Cross Devil” chassis with many installed gimmicks adds further excitement to the play experience of each player.

This machine is not only for pachinko and pachislot enthusiasts but a wide range of people, including video game fans. The machine is scheduled for delivery in August 2016 to pachinko halls throughout Japan.
