## Launch of New Machine “PACHI-SLOT ULTRASEVEN”

FIELDS CORPORATION (Head office: Shibuya-ku, Tokyo; President and COO: Tetsuya Shigematsu) announces the nationwide release of a new pachislot machine from KYORAKU SANGYO, “PACHI-SLOT ULTRASEVEN.”

### ■ **ULTRASEVEN** —one of the most popular shows in the *Ultraman* series

*ULTRASEVEN* is a TV program produced by Tsuburaya Productions Co., Ltd. that features extensive use of special-effects. 49 episodes were broadcast on the TBS network between October 1, 1967, and September 8, 1968. The series has been rebroadcast multiple times since then, and repeat broadcasts continue even today on various networks, now on the Tokyo MX2 and KBS networks, etc. *ULTRASEVEN* has enchanted fans with a cast comprising KAIJU and ALIENS, as well as *ULTRASEVEN* himself. Though the series is targeted at children, the messages conveyed by the program’s carefully developed scenarios and episodes have continued to appeal to large numbers of people over many years. A diverse range of products based on the *ULTRASEVEN* worldview has been developed, and the franchise has expanded to cover a wide variety of media including movies, comics, novels, games and pachinko machines. This year marks the 50th anniversary of *ULTRASEVEN*’s first broadcast and, to mark this milestone, the Tohoku Branch of Japan Post has released commemorative stamps and postcards, while a special exhibition was held at the department store, Takashimaya Kyoto Store. *ULTRASEVEN* is an Intellectual Property that boasts immense popularity among all generations.

### ■ **New Machine “PACHI-SLOT ULTRASEVEN”**

*ULTRASEVEN*, the highly popular special-effects TV program that has continued to captivate fans for many years, has now launched as a pachislot machine. The chassis features a powerful design with *ULTRASEVEN*’s distinctive weapon “Eye Slugger” emblazoned on the front. When various conditions have been met, such as lining up the patterns “7”s, the game system multiplies the number of extra games sevenfold. In addition, high-quality CG images specially made for this machine and familiar music combine to provide players with a realistic gaming experience.

“PACHI-SLOT ULTRASEVEN” is not only for pachinko and pachislot enthusiasts but a wide range of people, including special-effects TV program and film fans. The machine is scheduled for delivery in September 2017 to pachinko halls throughout Japan.
