Launch of New Pachinko Machine *P Gatchaman the True Velocity*

Our consolidated subsidiary FIELDS CORPORATION announces the launch of a new pachinko machine, *P Gatchaman the True Velocity*.

P Gatchaman the True Velocity expresses the “speed” that symbolizes *Gatchaman*, a hero of the TV anime *Infini-T Force*, in performance effects and game function, along with the worldview of the anime. The machine is not only for pachinko and pachislot enthusiasts but a wide range of people, including anime fans. It is scheduled for delivery in February 2023 to pachinko halls throughout Japan.
