***Ultraman* pavilion opens in Chengdu Happy Valley, a theme park in Chengdu, Sichuan Province, China**

On June 1, 2023, *Ultraman* pavilion opened in the Chengdu Happy Valley, a theme park in Chengdu, Sichuan Province, China.

This *Ultraman* pavilion is the third in the Chinese theme park, following the Shanghai Haichang Ocean Park in Shanghai in July 2022 and the Haichang Ocean Park: Dalian Discovery Kingdom in Dalian, Liaoning Province in May 2023, and the first in the inland China.

The *Ultraman* pavilion in the Chengdu Happy Valley has an area of over 2,500 square meters. The building includes merchandise stores and restaurants, enabling users to enjoy the experience of *Ultraman* shows as well as immersive games such as interactive games. The character figures are also displayed.

We will continue to explore ways to develop *Ultraman* pavilions in major Chinese theme parks.
