Launch of New Pachinko Machine
NEON GENESIS EVANGELION -Memories of the beginning-

Our consolidated subsidiary FIELDS CORPORATION announces the launch of a new pachinko machine,
NEON GENESIS EVANGELION -Memories of the beginning-.

This machine will appear as a smart pachinko machine (Sumapachi) and as the machine to commemorate the 20th anniversary of the pachinko *Evangelion* series. It features an impressive chassis with a huge “Evangelion Unit-01” decoration on the upper right of the cabinet, and delivers high-quality, beautiful and unique visuals. It is the first of our pachinko and pachislot machine to have an English subtitle function. While inheriting the appeal of the pachinko *Evangelion* series, we will provide more fans with a new game experience unique to this machine.

NEON GENESIS EVANGELION -Memories of the beginning- is not only for pachinko and pachislot enthusiasts but a wide range of people, including anime and *EVANGELION* fans. The machine is scheduled for delivery in December 2025 to pachinko halls throughout Japan.
