64th Japan Professional Golf Senior Championship TSUBURAYA FIELDS HOLDINGS ULTRAMAN CUP (2025) Featuring a Special Appearance from Ultraman!

The *64th Japan Professional Golf Senior Championship TSUBURAYA FIELDS HOLDINGS ULTRAMAN CUP* (sponsored by the Japan Professional Golf Association and specially sponsored by TSUBURAYA FIELDS HOLDINGS, boasting a total prize purse of ¥50 million) will be held from September 25th to 28th, 2025.

This tournament, which commenced in 1962 and is now celebrating its 64th anniversary, is a major event on the domestic senior tour designed to crown Japan's top senior professional golfer. Similar to last year, it will take place at the Eagle Point Golf Club (Ami-cho, Inashiki-gun, Ibaraki Prefecture).

As part of the "Ultra Series 60th Anniversary Project," which commenced in July this year, Ultraman will make a special appearance at the Eagle Point Golf Club to add excitement to the tournament. We also plan to host photo session featuring Ultra Heroes and Kaiju for all attendees.

At last year's tournament, Nobuhiro Masuda, then in his second year on the Senior Tour, secured his first championship title. He led from wire-to-wire throughout the four-day event, ultimately winning by a three-shot margin over the runner-up.

The tournament will be broadcast live on BS Fuji over four consecutive days. We anticipate intense competition among the senior golfers.
